TROY UPDATE

Troy Givens first appeared in our January 2011 newsletter under Troop Support as we had sent a Christmas package to his Band of Brothers.

In December 2011, Troy was wounded and we have been following his progress ever since. Troy still has a few more leg surgery's to go though but this is his new focus.

Troy is working on creating a non-profit organization called *"American Hero Adventures"* (AHA)

The Mission of American Hero Adventures is to provide stress free, stress relieving and bonding activities to the combat wounded, injured Hero and their families. It is the intent of American Hero Adventures to provide wounded Heroes of the northwest and their families the opportunity to experience these adventures together and create lasting memories. AHA also wishes to extend this unique opportunity to other wounded Heroes throughout the United States in the near futures.

AHA plans to execute this mission by involving our Heroes in the great outdoors through activities such as fly-fishing, camping, backpacking, white water rafting, cycling, Scuba diving, spelunking, deep sea fishing, various shooting sports and hunting.

Those who are veterans themselves can volunteer their time and perhaps expertise or passion in a certain field and share that with today's Heroes. This program is designed to be supported from the inside and outside by veterans and patriots alike.

Any questions you may have, contacts that would help, or any kind of support, please contact Troy Givens at tgivens21@gmail.com

CALL TO ACTION

Tell Your U.S. Representative to Repeal Obamacare Now!

The U.S. Supreme Court failed to declare President Obama's healthcare law unconstitutional, so now it's up to the legislative branch to begin the process of repealing this overreaching, burdensome, unprecedented monstrosity, otherwise known as the Patient Protection and Affordable Care Act.

On Wednesday, the U.S. House of Representatives will vote on whether to repeal the entire law. It is imperative that you immediately call your U.S. Representative -- particularly if he or she is a Democrat -- and urge him or her to vote in favor of repealing President Obama's Patient Protection and Affordable Care Act.

You can reach your U.S. Representative through the U.S. Capitol Switchboard at 202-224-3121, or by visiting www.house.gov.

Then, consider contacting your U.S. Senators, too. Urge them to work toward repealing the law in the U.S. Senate by getting a repeal vote on the Senate calendar.

You can reach your U.S. Senator through the U.S. Capitol Switchboard at 202-224-3121, or by visiting www.senate.gov.

Thank you for making your voice heard on this critical issue,

Rae Lynne Chornenky
